AURUM

CONES

AURUM ice cream in a waffle cone is a unique and nurtured ice cream line. It stands out because of the highest quality ingredients and perfect combinations of delicious flavours. These ice cream cones are available in nine flavours, ranging from the salted caramel with caramelized almonds to the sweet and sour mango-flavoured ice cream. The rich-taste ice cream is placed in a crispy waffle coated in chocolate inside. A serving size of ice cream is optimal because exquisite flavour must be enjoyed thoroughly.

AURUM

AURUM

WAFFLE CUPS

AURUM ice cream in a waffle cup line is concluded of two different parts connected by the highest quality ingredients. One part of the ice cream line is filled with traditional, Lithuanian berries – black currants and blackberries, which give the ice cream a sweet and sour taste, and the other part of the ice cream line has a mild coconut and biscuit taste. The last two flavours should appeal to sweet teeth – those who adore delicious desserts that melt in your mouth with every bite. These ice creams stand out for their rich texture. Coconut-flavoured ice cream is enriched with almond filling and coconut chips, and cookie-flavoured ice cream is filled with pieces of cocoa biscuits.

AURUM

Retro

AURUM

Immerse yourself in the journey in the time machine together with the AURUM Retro line. The ice cream of this line stands out with its traditional flavours, which go back to the times of "real ice cream". There are three types of natural, rich ice creams: classic vanilla, delicious chocolate and condensed milk. The condensed milk ice cream is covered in a crispy cocoa coating, which gives an extra flavour. Unique packaging is coated with a special varnish that gives a paper feel, which only further enhances the feeling of nostalgia.

AURUM

IN BUCKETS

AURUM ice cream in a bucket is convenient to enjoy because the ice cream does not drip or run. The lid of the ice cream package contains a strong and long teaspoon, which features one of the most ergonomic designs on the market. This ice cream line is dominated by fresh sherbet flavours of sour apple, exotic mango and sweet and sour raspberry flavours, but it also offers a richer flavour - children's favourite bubble gum ice cream.

AURUM

FAMILY PACKS

Enjoy AURUM ice cream with your whole family! The line of family-pack ice cream stands out with its rich flavours and delicious filling, which is served in the form of a 'flower', thus creating a very aesthetic ice cream image. Ice cream flavours are dominated by unparalleled vanilla, which goes well with salted caramel filling and caramelized nuts, fresh blueberries and royal-flavoured truffles. Also, in this line you can find ice cream with a fragrant apple pie reminiscent of apple and cinnamon flavours and a rich flavoured ice cream with rum (non-alcoholic) that you will enjoy even in the cold season of the year.

BETWEEN WAFFLES

This ETALON ice cream line stands out for its original ice cream shape, reminiscent of childhood. The ice cream is placed between the two special recipe waffles, features traditional vanilla and caramel flavours. The star of this line is vanilla ice cream with raisins, which is especially popular among older buyers. The harmony of sweet raisins and soft vanilla elevates and evokes precious childhood memories.

FAMILY PACKS

ETALON ice cream family packs of 900 ml are designed to enjoy ice cream with the whole family. The ice cream is presented with two aesthetically pleasing ice cream “flowers” and placed in a transparent package, which allows you to evaluate the appearance of ice cream before buying. This line of ice cream has six flavours, ranging from classic vanilla or banana and for more sophisticated ones – Mascarpone cheese or rum-truffle flavours. Those who like ice cream with a little bit of sour flavour will love ice cream with Italian Amarena cherries, kiwi or wild berry filling.
