Retro

AURUM

Immerse yourself in the journey in the time machine together with the AURUM Retro product line. The ice cream of this line stands out with its traditional flavours, which bring you back to the times of the "real ice cream". There are 4 types of natural, rich ice creams: classic vanilla, vanilla with raisins, delicious chocolate, and condensed milk. The condensed milk ice cream is covered in a crispy cocoa coating, which provides an extra flavour. Unique packaging is coated with a special varnish that gives a paper feel, which only further enhances the feeling of nostalgia.

CONES

AURUM ice cream in waffle cones is unique and nurtured ice cream line. It stands out because of the highest quality ingredients. The concept of this line is gentle vanilla flavoured ice cream, with an accent of taste from a nicely poured, “flower-shaped” filling on the top. Try time-tested and customers’ favourite flavours - lyophilized blueberries and blueberry filling or salted caramel and caramelized almonds served in a crispy, chocolate-covered waffle cone.

BETWEEN WAFFLES

This ETALON ice cream line stands out for its original ice cream shape, reminiscent of the childhood. The ice cream mass is put between the two special recipe waffles. The line features traditional vanilla, chocolate, and caramel flavours. The star of this line is vanilla ice cream with raisins, which is especially popular among older buyers. The harmony of sweet raisins and soft vanilla elevates and evokes precious childhood memories.
